DEEP HYPNOTIC SOUNDS

ABOUT

djjuliimmaï's musical style is as capricious and diverse as life itself. Variations of house and minimalism blend smoothly with ritualistic music from around the globe. His **DEEP HYPNOTIC SOUNDS** mesmerize crowds, turning the dance floor into a spiritual place. The element of hypnosis is key in Juli's idea and performance of electronic music.

» GET A TASTE!

Born 1982 in Lübeck, serendipitously on the day of a massive city festival, it didn't take very long for Juli to become a resident DJ at the Lübecker **Eishaus Club** at the age of 18. After moving to Berlin in 2006, he was deeply inspired by a then rapidly evolving techno scene. Heavily influenced by the famous Bar 25 and the Fusion Festival,

djjuliimmaï took his experience to Freiburg, then running the **White Rabbit Club**. From there, in 2016, the record-spinning hypnotist launched his own series of club & festival events:

MOODY MUSIC

THE KUNDALINI-EXPRESS

They also took off internationally and djjuliimmaï fell in love with the Hungarian music scene. He spent years there, maintaining the local underground music scene by organizing events in plenty of Hungarian venues for electronic music: › Feszek › Kert › Lärm › il Panorama

This included curation, sound engineering, lighting- & stage design, and also catering. Because of his deep love for festivals, Juli's most cherished moments were his performances at the **Sziget Festival**, **Taka Tuka** and the **Ozora Festival**, where he's been a resident DJ ever-since.

The **DEEP HYPNOTIC SOUNDS** have been featured on podcasts by › koša › Planet Ibiza › deep & smooth › Kollektiv.Liebe › Cosmovision Records › Hekske › Faultierdisco › Casulo Records

djjuliimmaï performed in Germany, Hungary, Brazil, Switzerland and France.
